

Product Change Notification

Change Notification #: C45223E01

**Change Title: Select MiTAC DSG Server boards and systems,
PCN C45223E01, Product Discontinuance,
Product End of Life
Reason for Revision: Intel Server Board S2600WFR
Family EOL**

Date of Publication: December 05, 2023

Key Characteristics of the Change:

Product Discontinuance

Forecasted Key Milestones:

Product Discontinuance Program Support Begins	December 05 ,2023
Orders for Discontinued Products Become Non-Cancelable	March 31, 2024
Last Product Discontinuance Order Date	March 31, 2024
Last Product Discontinuance Shipment Date	December 31,2024

Description of Change to the Customer:

MiTAC is announcing the discontinuance of the select Intel® Server Boards, Systems listed in the "Products Affected/Intel Ordering Codes" table below.

MiTAC will make best efforts to support all orders placed between the Non-Cancelable and Non-Returnable (NCNR) and the Last Product Discontinuance Order (LPDO) dates. After the LPDO date existing inventory is still orderable, under NCNR terms, and will be filled on a first come first served basis. Deliveries must be accepted within 15 days from the system build date, or order placement date, whichever is later.

Final purchase orders are non-cancelable and non-returnable, notwithstanding any conflicting terms in our quotes, purchase order acknowledgement or Distributor agreements.

Intel has enabled MiTAC to manufacture and sell the discontinued DSG products. MiTAC is an edge-to-cloud IT solutions provider; has been a longstanding partner of DSG, and is the current DSG ODM, manufacturer, test, and integration partner for these systems. Intel and MiTAC are working together to ensure a smooth transition and to support you throughout this process. For information concerning these products, please contact:

DSGServerInfo@mitac.com or contact your Intel Authorized Distributor.

Customer Impact of Change and Recommended Action:

Determine your remaining demand for this product and/or evaluate additional sources (if applicable).

Milestone dates are estimates and subject to change based on business and operational conditions. For additional product information please contact: DSGServerInfo@mitac.com. Please contact your local Intel Distributor if you require more information or need assistance in selecting a replacement product.

Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any Intellectual property rights is granted by this document.

MiTAC disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning MiTAC products described herein. You agree to grant MiTAC a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements.

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

MiTAC may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.

MiTAC, the MiTAC logo, and other MiTAC marks are trademarks of MiTAC International Corporation or its subsidiaries. Other names and brands may be claimed as the property of others.

No response from customers will be deemed an acceptance of the change, and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Should you have any issues with the timeline or content of this change, please contact the MiTAC Representative(s) for your geographic location listed below.
